Mr. Gene K. Fong  
Division Administrator  
Federal Highway Administration  
650 Capital Mall  
Suite 4-100  
Sacramento, CA 95814

Attention: Ms. Sue Kiser

Dear Ms. Kiser:

With this letter and pursuant to the authority delegated to me, I approve the following amendment of the Southern California Association of Governments' (SCAG) 2004/05-2009/10 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
15	<b>Local Element</b> <ul style="list-style-type: none"><li>• Programs "Arroyo Seco Parkway (MPO Id: LA0B414)" project in the Los Angeles County. This project is funded from the Transportation and Community and System Preservation Pilot Program (TCSPPP) and the Transportation Enhancement Activities (TEA) program. See enclosure.</li></ul>

- I am also recommending that the Federal Highway Administration approve this FTIP Amendment No. 15 for inclusion into California's 2004/05-2006/07 Federal Statewide
- Transportation Improvement Program (FSTIP). Projects included in this FTIP in fiscal years not within the three-year cycle of the current FSTIP are not approved as part of this FTIP amendment and are shown for information only.

The updated programming is for project types that have been found by SCAG to conform to applicable air quality regulations. Therefore, this FTIP amendment is consistent with the State Implementation Plan. The financial impacts of this amendment are compatible with anticipated revenues in the FSTIP Financial Plan and do not significantly affect the overall financial analysis.

Mr. Gene K. Fong

Page 2

In accordance with existing law, public involvement procedures are a part of the project selection process. SCAG prepared this FTIP amendment under that process permitting citizens, affected local agencies, other public agencies, and other interested parties reasonable opportunity for comment.

Please address any questions on this FSTIP approval request to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

ROSS A. CHITTENDEN

Chief

Division of Transportation Programming
